

EVOLV BUSINESS UNIT

Congratulations on your commitment to completing your Evolv Business Unit. Print this page and post to a wall or desk and fill in the names as quickly as possible. You can create as many EBU's as you wish, after you complete your first, print out a second tracker to set up your next EBU!

A great way to complete your EBU quickly is by doing a *24Seven Club. This exciting award will help you generate a blast of activity in a short period of time and will give you the potential to win exciting prizes such as a branded Evolv luxury pen, a HD Evolv Flip Video Camera or even an Apple iPad!

Once you have sponsored your first Evolv Life Plan Partner, use the opposite side of the page to help coach them to do the same. Remember, the key is to help your Partners establish their EBU's in 30 days and then teach them how to help others do the same.

*See 24/Seven flyer for details
