HOPE HEROES PROGRAM QUALIFICATIONS

Follow these steps to apply for the Evolv HOPE Heroes Program. We're happy to be working with you for better health for you and your friends! **NOTE: Application is not a guarantee of acceptance, please get approved in advance for the smoothest transition into the program!**

STEP 1 — ESTABLISH PROGRAM ELIGIBILITY & APPLY*

New Members (prior to and up to 28 days after joining Evolv): Please get approved as a HOPE Hero **before or within 28 days of** joining Evolv. To do this, fill out the online application form at www.evolvhealth.com/hopeheroes and wait for your confirmation email. Once you have received your confirmation email, proceed to the next step.

- Be on an Autoship that qualifies you for Active Evolv Status
- Complete a Reboot (or have completed one in the last 3 months)
- Apply to the HOPE Heroes Program within 28 days of meeting the above qualifications by filling out the online form at www.evolvhealth.com/hopeheroes and waiting for your confirmation email. Once you have your confirmation email, skip to Step 3.
